INSTRUCTIONS

1. Use 3 coats of your desired colors to fill in each section of the menorah "arms"
2. Use your small brush to then paint the candle holders with 3 coats of your desired colors. We decided to use a different color than the arm below it.
3. For the base, we painted 3 coats of Margarita, but you could use any color your desire.
4. Finally, use the stick end of the small brush to add the Licorice dots to the edges of the base, and inbetween the "arms".

TIPS

- Three coats of paint will make solid colors that pop.
- If you want the dots to be the same size, dip the end into paint each time you stamp it down.
